What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trans put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as **BEGGS' BLOOD PURIFIER & BLOOD MAKER**, and every bottle that does not do its work, will cost you nothing. **W. H. Chedic, Druggist.**

How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! its only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by **BEGGS' CHERRY COUGH SYRUP**? It has no superior and few equals. **W. H. Chedic, Druggist.**

CARSON VS. CINCINNATI.—A series of three matches has been arranged between the Cincinnati Rifle Association of Cincinnati Ohio, and the Carson Guard. The conditions are, fifteen men from each organization, ten shots each, on the Standard American or ring target, 200 yards, no previous practice and no sighting shots allowed. As the Cincinnati club uses the match rifles, with peep and globe sights, and three pounds pull of trigger, while the Carson Guards confine themselves strictly to the State arm, the Springfield musket, they allow our team seven points on each score of ten shots, or 105 points on the match.

The men who will strive to uphold the reputation of our local company in the first match, which will take place day after tomorrow, will be selected from the following members, who have shown quite an interest in practice, and are already quite proficient with the Springfield: **Alley, Hark, Holbrook, Wilcox, Little, McCullough, Cowing, Saffell, Galusha, Thaxter, Parkinson, Dorsey, McInnis, Folsom and Gordon.** Capt. **Wright** hopes to see all the above on hand, and as many more as are interested in rifle practice, not later than 1 p. m.

The Putes Dance too Hard. **Johnson Sides** explained to the **APPEAL**, how the big rain happened. He said that the Putes had a rain dance and when they had danced enough, he sent a messenger to stop the performance. The messenger got tight at **Wadsworth** and never reached the dance, as a consequence they over did it and snow and rain came down in larger quantities than they expected. He says that the thing will not happen again if he can prevent it.

He came in again last night, and as soon as he got inside the door, began to swing his arms over his head like an Indian club swinger.
